Templeman Menninga Aquatic Centre Closed Until Further Notice

BELLEVILLE ON - Due to a mechanical issue, the Templeman Menninga Aquatic Centre will be closed until further notice. It is anticipated that the pool will reopen next Friday, but is subject to the issue being fixed.

All program registrants and private pool rental customers are being contacted and an email is being sent out to all existing clients.

Updates will be posted to the Quinte Sports & Wellness Centre site at www.gswc.ca or clients can contact the customer service desk at 613-966-4632.

We apologize for the inconvenience and hope to get the pool reopened as soon as possible.
