Spencer's Mountain **(1963)**

Starring: Henry Fonda, Maureen O'Hara & James MacArthur

Clay Spencer is a hard-working man who loves his wife and large family. He is respected by his neighbours and always ready to give them a helping hand.

Although not a churchgoer, he even helps a newly arrived local minister regain his flock after he and Clay get into a bit of trouble.

If he has one dream in life it's to build his wife Olivia a beautiful house on a piece of land he inherited on Spencer's mountain.

He is overjoyed when he learns his eldest son will be the first Spencer to attend college, if he can resist the charms of a pretty local girl and rustle up the money for tuition.
