

# 50+ Centre MOVIE NIGHT

## *The Upside* (2019)

**Starring: Kevin Hart, Bryan Cranston, and Nicole Kidman**

Inspired by a true story, *The Upside* is a heartfelt story with a comedic look at the relationship between a wealthy man with quadriplegia and an unemployed man with a criminal record who's hired to help him.

Philip is a disabled white billionaire, who feels that life is not worth living. To help him in his day to day routine, he hires Del, an African American parolee, trying to reconnect with his estranged wife.

What begins as a professional relationship develops into a friendship as Del shows his grouchy charge that life is worth living.
